

Metro Friends of the Arts

Attention parents, grandparents and interested patrons
of Metro Christian Academy Elementary, Middle School and High School students:

A parent-driven support organization was formed in 2006/2007 to support the Metro Christian Academy Fine Arts Department to aid in supporting and enhancing Metro's rapidly growing Fine Arts Department.

If your student participates in any area of the arts (including art, band, drama, Praise & Worship, speech/debate or vocal music), now is the time to become a part of your student's Fine Arts experience! We hope you will join us in the joy of actively participating in your student's experience. MFOTA will be working directly with The Fine Arts Department faculty members and administration to promote and enhance this fantastic department! Many wonderful Fine Arts events are planned this spring -- take a look at the Fine Arts Department link on edline for a complete calendar.
